

# REVELATION

ACCOUNTING SOFTWARE

## Revelation for Windows - UpStart Edition

UpStart is a fully integrated accounting package to get an uncomplicated business off the ground with the minimum cost, fuss and hassle. It includes Debtors, Creditors, General Ledger and Invoicing. This amazing product has been designed with the entrepreneur in mind.

### **UpStart Features:**

- Debtors
- Creditors
- General Ledger
- Invoicing

Priced for the entry-level user, it will allow a small business with simple accounting functions to effectively control its accounting requirements.

### **Features include:**

- Full account history available on-line for up to 72 months
- Reprint old customer invoices from up to 72 months ago
- All records have an unlimited length "Notes" field for comments

UpStart is a single-user, single company product (non-networkable).
